

Bergstrom's Christmas Letter

2006

This year has been very busy for the Bergstrom family.

Kim is still working at Chrestomathy Inc. in Burnsville, MN. She will be taking a four month break from her job to complete her student teaching through Mankato State University. Her placement is in Farmington, MN at North Trail Elementary School. She is looking forward to completing her degree in Special Education with a focus on Learning Disabilities.

Bob is working at U.S. Bank as a supervisor in the Lost Bond department. There have been four management changes within one year with different expectations.

He had a record year with Bergy.Inc Web Site Design Company. The company is up to twelve clients varying from sports to business websites in the local area. New advertising techniques (custom t-shirts and pens) are going to be used to further enhance and expand the current cliental base. (For further detail: <http://www.bergync.com>)

Bob has been consistently running participating in over 12 road races and finished the Twin Cities Marathon for the third time. He is planning on participating in several additional races during the winter months. (For further detail: <http://rbergync.tripod.com/running>)

Terry, Bob's dad, continues to help us finish our basement. We now have all of the walls up and painted, along with a fully functioning bathroom. This project will be put on hold until sometime this summer.

Finally, we are proud to announce that we became members of our church this past year (sorry, no kids yet). The two of us have been volunteering time at our local church in their children's AWANA program. Kim is still playing her flute and singing in church on a monthly basis; and Bob created a new design for the church web site.

Even through all of the hustle and bustle of our lives, especially during this time of year, we need to keep our eyes focused on our Heavenly Father. He who sent his son here on earth as a newborn baby in human form, throughout his life was without sin, died on the cross for all of our sins, and came back to life three days later. So that now we are able to live forever with him in heaven.

Hope you all have a very Merry Christmas and a Happy New Year.

In Christ's Love,

Bob and Kim Bergstrom
